

GROUP FITNESS PROGRAMS DESCRIPTIONS

Group Fitness classes are a motivating and productive part of your club membership. We offer a large variety of fitness classes and we encourage our members to cross train by trying as many different classes as possible. Please remember that 'It's your workout' so exercise at your own pace and never try to keep up with a class that's too advanced or your present fitness capacity. You should always work at a comfortable but invigorating level and never feel distressed or over worked. Drink bottles and towels are compulsory in all cycle classes.

All Re-Creation clubs are owner/operator businesses...and you will notice the difference! We are interested in your FITNESS ... not just your finance!
